of the owner of the exclusive right that is allegedly infringed; (b) identification of the copyrighted work claimed to have been infringed, or, if multiple copyrighted works are covered by a single notification, a representative list of such works; (c) identification of the material that is claimed to be infringed or to be the subject of infringing activity and that is to be removed or access to which is to be disabled, and information reasonably sufficient to permit Company to locate the material; (d) information reasonably sufficient to permit Company to contact you, such as an address, telephone number, and if available, an electronic mail address at which you may be contacted; (e) a statement that you have a good faith belief that use of the material in the manner complained of is not authorized by the copyright owner, its agent, or the law; and (f) a statement that the information in the notification is accurate, and under penalty of perjury, that you are authorized to act on behalf of the owner of an exclusive right that is allegedly infringed. 10. Limitation of Liability, Your Exclusive Remedy

IN NO EVENT SHALL THE COMPANY OR ITS LICENSORS BE LIABLE FOR LOST PROFITS OR ANY SPECIAL, INCIDENTAL, INDIRECT, PUNITIVE, OR CONSEQUENTIAL DAMAGES (HOWEVER ARISING, INCLUDING NEGLIGENCE) ARISING OUT OF OR IN CONNECTION WITH THE AGREEMENT. Similarly, from time to time in connection with your use of the Services, you may have access to content items (including, but not limited to, websites) that are owned by third parties. You acknowledge and agree that Company makes no guarantees about, and assumes no responsibility for, the accuracy, currency, content, or quality of this third party content, and that, unless expressly provided otherwise, this Agreement shall govern your use of any and all third party content.

12. Prohibited uses

The Company places certain restrictions on your permissible use of the Services. You are prohibited from violating or attempting to violate any security features of the Services, including, without limitation, (a) accessing content or data not intended for you, or logging onto a server or account that you are not authorized to access; (b) attempting to probe, scan, or test the vulnerability of the Services or any associated system or network, or to breach security or authentication measures without proper authorization; (c) interfering or attempting to interfere with service to any user, host, or network, including, without limitation, by means of submitting a virus to the Services, overloading, "flooding," "spamming," "mail bombing," or "crashing;" (d) using the Services to send unsolicited e-mail, including, without limitation, promotions, or advertisements for products or services; (e) forging any TCP/IP packet header or any part of the header information in any e-mail or in any posting using the Services; or (f) attempting to modify, reverse-engineer, decompile, disassemble, or otherwise reduce or attempt to reduce to a human-perceivable form any of the source code used by the Company in providing the Services. Any violation of system or network security may subject you to civil and/or criminal liability.

13. Indemnity

You agree to indemnify the Company for certain of your acts and omissions. You agree to indemnify, defend, and hold harmless the Company, its affiliates, officers, directors, employees, consultants, agents, and representatives from any and all third party claims, losses, liability, damages, and/or costs (including reasonable attorney fees and costs) arising from your access to or use of the Services, your violation of this Agreement, or your infringement, or infringement by any other user of your account, of any intellectual property or other right of any person or entity. The Company will notify you promptly of any such claim, loss, liability, or demand, and will provide you with reasonable assistance, at your expense, in defending any such claim, loss, liability, damage, or cost.

14. Governing law

The Services are controlled by the Company from its offices within the State of California, USA. The laws applicable to the interpretation of the Agreement shall be the laws of the State of California, USA, and applicable federal law, without regard to any conflict of law provisions. The Company makes no representation that the services or the content available via the Services are appropriate for access outside of the United States. Those who choose to access the Services from outside the United States do so at their own

initiative and are responsible for compliance with local laws. You agree to submission of any dispute to the state and federal courts of the State of California, city of Los Angeles, USA.

15. Termination; Access restriction

The Company may terminate the Agreement, or terminate or suspend your access to the Services at any time, with or without cause, with or without notice. Upon such termination or suspension, your right to use the Services will immediately cease. UPON SUCH TERMINATION OR SUSPENSION, ANY INFORMATION YOU HAVE STORED ON THE COMPANY'S HARDWARE AND/OR USING THE SERVICES MAY NOT BE RETRIEVED LATER, AT THE COMPANY'S SOLE DISCRETION.

16. Payment, Cancellations and Refunds

By agreeing to this Agreement and purchasing a subscription to the paid version of the Services, you are agreeing to allow the Company to place your account on a recurring payment plan. The account will automatically be charged according to the terms of the account type you select on the same day each month or year, depending on the duration of the subscription. Further, you grant permission to the Company to charge your credit card or payment service for any and all services you request and any renewals thereof. If the Company is not able to process a payment for your account on the specified processing date, the Company may suspend your account pending a successful payment transaction. You may cancel your account at any time by using the web-based cancellation link and confirmation in the My Account section at the Site. If you are not able to access this page, you may also send an email to billing@elephantdrive.com from the email address associated with your account using the subject line: "Account Cancellation" for assistance. Because the Company charges its subscribers for each unpaid billing cycle in advance, in order to cancel your account and not be charged for an impending billing cycle, you must make your cancellation request at least two business days before the next automatic billing occurrence. If you cancel during a billing cycle, no refund will be issued for the unused portion of the billing cycle. For example, if you are billed on the 15th of every month and you cancel on September 17th, you have already pre-paid for the entire current billing cycle (September 15 – October 15 in this case). Upon cancellation of your account, all data within the account will be queued for permanent deletion. If you cancel your account while it is in good standing, you may request that the Company continue to make your data available to you until the end of the current billing cycle. Only in the event of your request and ElephantDrive's acknowledgement will ElephantDrive continue to maintain the account data after

cancellation and until the end of the current billing cycle. Such a request must be made at least one business day prior to the cancellation of the account. If no request is received to maintain the account data until the end of the current billing cycle, all account data will be queued for deletion immediately following the cancellation of the account. If an account is later reactivated, previous data may not be recovered.

17. Severability; Assignment; Waiver

If any part of the Agreement is determined to be invalid or unenforceable pursuant to applicable law, then the invalid or unenforceable provision will be deemed superseded by a valid, enforceable provision that most closely matches the intent of the original provision and the remainder of the Agreement will remain unaffected and in full force and effect. The Company may assign the Agreement, in whole or in part, at any time with or without notice to you. You may not assign the Agreement, or assign, transfer or sublicense your rights, if any, as related to the Software. No waiver of any breach of any provision of these Terms of Use shall constitute a waiver of any prior, concurrent, or subsequent breach of the same or any other provisions hereof, and no waiver shall be effective unless made in writing and signed by an authorized representative of the waiving party.

18. Entire agreement

Except as expressly stated herein, the Agreement constitutes the entire agreement between you and the Company with respect to the Services and it supersedes all prior or contemporaneous communications and proposals, whether electronic, oral or written, between you and the Company with respect to the Services.

19. Section titles

The section titles in the Agreement are solely used for the convenience of the parties and have no legal or contractual significance.

20. Acknowledgement

By using the Services you acknowledge that you have read this Agreement and agree to be bound by it.
